Behind The Scenes

Miami Valves 2025

January 31, 2025 - February 1, 2025

Miami, FL

Acknowledgement of Financial Commercial Support

Abbott

Abiomed

Boston Scientific

Edwards LifeSciences

Medtronic

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Behind The Scenes. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Professions in scope for this activity are listed below.

Amedco Joint Accreditation Provider Number: 4008163

Physicians

Amedco LLC designates this live activity for a maximum of 16.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurse Practitioners

The American Association of Nurse Practitioners (AANP) recognizes the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) as approved accreditors and allow reciprocity for AANPCP continuing education credit.

Physician Assistants

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification for PAs.

Amedco LLC designates this live activity for a maximum of 16.00 *AMA PRA Category 1 Credits™*. PAs should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To

1. Appraise new and upcoming technologies in the management of structural heart disease, including, valvular heart disease, stroke prevention, hemodynamic support, cardiomyopathy and high risk-percutaneous coronary intervention to demonstrate their benefit for patients.
2. Evaluate the relative advantages and disadvantages of different strategies in complex cases involving valvular heart diseases.
3. Present indications, techniques, outcomes, and complications for transcatheter valve intervention in patients with native valve lesions.
4. Compare FDA approved technologies for TAVR and the scientific data supporting their use.
5. Recognize the different diagnostic tools and combinations required to accurately diagnose specific structural heart diseases and plan transcatheter therapies.
6. Discuss rationale and technique of alternative access approach for aortic stenosis.
7. Discuss investigational valves in the near horizon including their therapeutic advantages and limitations.
8. Discuss transcatheter treatment options for mitral and tricuspid valve disease as well as the new upcoming investigational devices.
9. Examine the data and techniques for identification and assessment of hemodynamically significant coronary artery lesions as well as the presence or absence of microvascular disease.
10. Examine the data and techniques for coronary imaging and lesion characterization and their impact on percutaneous revascularization outcomes.
11. Learn the benefits of using mechanical circulatory support for the treatment of high-risk severe coronary artery disease as well as in the management of shock.
12. Identify the indication, techniques and complications for left atrial appendage occlusion in patients with afib.
13. Learn and evaluate patients for advanced heart failure therapies.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed below.

Thursday, January 30, 2025

8:25 am - 10:00 am	1.50	Plenary Session 1: Structural Cardiology
10:30 am - 12:00 pm	1.50	Heart Failure Workshop
10:30 pm - 12:00 pm	1.50	Plenary Session 2: Structural Cardiology
10:30 am - 11:25 am	1.00	Session 1: Coronary Interventions in ACS and Myocardial Infraction
1:30 pm - 3:00 pm	1.50	Plenary Session 3: Structural Cardiology
1:30 pm - 3:00 pm	1.50	Structural Imaging Workshop
1:45 pm - 3:00 pm	1.25	Session 2: INOCA - Digging deeper beyond the epicardial coronaries
3:30 pm - 5:15 pm	1.75	Plenary Session 4: Structural Cardiology: An Afternoon of Best Cases from the Americas - Part 1 (Potpurri of Structural Cases)
3:30 pm - 5:00 pm	1.50	PERT Workshop
3:30 pm - 5:00 pm	1.50	Session 3: Coronary Imaging & Physiology: Strategies to guide PCI

Friday, January 31, 2025

8:30 am - 10:00 am	1.50	AFIB Symposium Sesssion 1
8:30 am - 10:00 am	1.50	Plenary Session 5: Structural Cardiology
8: 30 am - 10:00 am	1.50	Session 4: Cardiogenic Shock Symposium
10:30 am - 12:00 pm	1.50	Plenary Session 6: Structural Cardiology
10:30 am - 11:45 am	1.25	AFIB Symposium Session 2
10:30 am - 11:45 am	1.25	Session 5: Complex PCI: Calcification and CTO
1:30 pm - 3:00 pm	1.50	Left Atrial Appendage Closure Workshop
1:30 pm - 3:05 pm	1.50	Plenary Session 7: Structural Cardiology
1:45 pm - 3:00 pm	1.25	Session 6: Complex PCI: Dealing with Bifurcations, Trifurcations, and ISR
3:30 pm - 5:15 pm	1.75	Plenary Session 8: Structural Cardiology: An Afternoon of Best Cases from the Americas - Part 2 (Potpourri of Structural Cases)
3:30 pm - 5:00 pm	1.50	Left Atrial Appendage Closure Workshop
3:30 pm - 5:00 pm	1.50	Session 7: Non-coronary Interventions - Renal denervation and PERT & Session 8: Complications - Hard discussions, not for the faint of heart

Saturday, February 1, 2024

8:30 am - 10:00 am	1.50	Nursing Symposium
8:30 am - 10:00 am	1.50	Plenary Session 9: Structural Cardiology
10:30 am - 12:00 pm	1.50	Plenary Session 10: Structural Cardiology: New Cardiovascular Innovations
1:00 pm - 1:30 pm	0.50	Plenary Session 11: Oral Abstracts and Awards
